

“Shades of Metal Private Collection”

- New Album + Live Concert

CROSS-GENRE CONCEPT: PIANO & VOCAL RENDITIONS TO HEAVY METAL HITS + BOLD ORIGINALS

“ Moran Magal captivated the audience with her original songs, as well as with some pretty risky and exquisite covers to Heavy Metal hits. Moran proved, in her short act, that she is an artist with great potential and a virtuoso pianist. A pleasant surprise and greatly recommended to those who do not yet know her.” (Moran Magal - Opening act for Daniel Cavanagh – ANATHEMA, Berlin) *Goetia Media Magazine - Spain*

Moran Magal's new album "**Shades of Metal**" is her private collection of Heavy Metal cherished hits, forged into beautiful piano and vocal arrangements. These new signature renditions get a fragile yet rebellious edge that add a unique personal tone and accessible femininity to the Heavy Metal of: Metallica, System of a Down, Marilyn Manson, Dream Theater, Alice Cooper, Orphaned Land and others.

Moran Magal's performance of "Poison" by Alice Cooper was voted "**The Perfect Audition**" on the Israeli TV version of the "The Voice" (season 3) Watch the **AUDITION**

Moran's live concerts include her signature Metal arrangements plus bold originals from her latest repertoire (Piano based Folk Rock with a Metal/ Gothic edge. This cross-genre sound appeals to both “Metal Heads”, as well as mainstream audiences and is currently being featured on various international festival stages.

Joining Moran on stage is virtuoso violinist Alexey Kochetkov.

“The violinist Alexey Kochetkov who joined Moran Magal, made the songs sound like true masterpieces.” - *Metalist Magazine*
